How many wagons can you find at the museum?

Think about the cars people drive today. What are three things wagons have that are like a car, and three things that make them different.

SAME   DIFFERENT

Give the children on the map a tour of the museum! Draw a line along the path you would take the two children to see the artifacts on the map that are listed below. Number the items in the order that you would see them first.

- Player piano
- Lincoln Highway marker
- Post office
- Water wheel
- U’macha
- Stamp mill
- Hydraulic Monitor
- Cooking basket
- Telephone
- Wooden water pipe
